Attached are the three community center nominations for the Senior Outreach Advisory Committee, two of which already serve on the Committee. Each of the three must be confirmed by a majority of the BOCC.

Now all we need are the appointments from Commissioners Proctor, Winchester, and Rackleff.

Good Morning!

Pat and I have conducted our January meetings with the three community centers. We have volunteers to serve on the aforementioned board without opposition.

Please advise if further information is needed. Thanks.
